

We, the undersigned, petition the Governing Board of the Greenbrook Fountain Valley Home Owners Association to use every means at law to halt the unapproved construction of an RV storage yard currently in progress at 8549 Amazon River Circle.

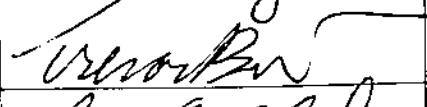

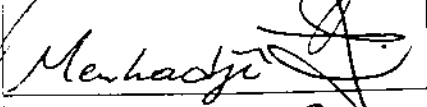

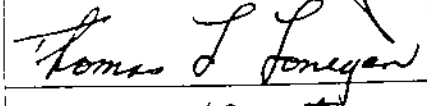

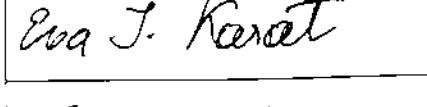

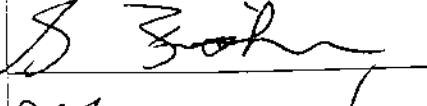

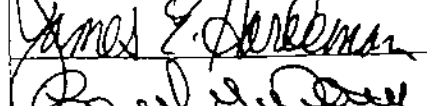

Background:

Mr. William Tezak recently purchased the home at 8549 Amazon River Circle.

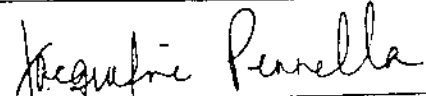

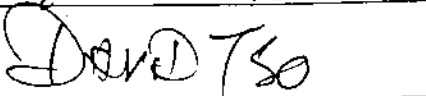

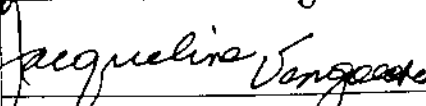

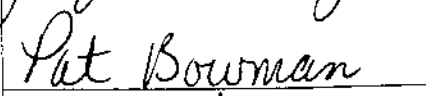

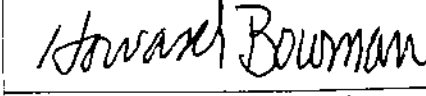

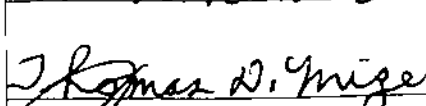

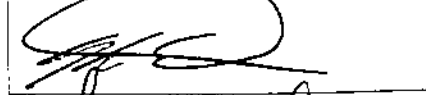

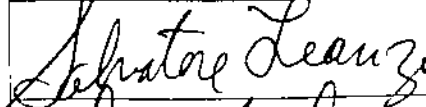

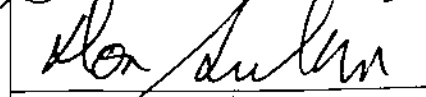

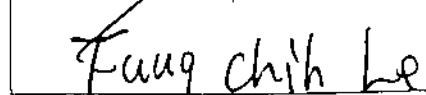

Twice, prior to the close of escrow, the Board rejected Mr. Tezak's request to construct an RV storage area for three RVs with a 29 foot wide gate.

Mr. Tezak is proceeding against the will of the community and is constructing the RV storage area in spite of the Board's decision.

We petition the Board to enforce their previous decisions and pursue litigation seeking an injunction to stop the construction of the RV storage yard at 8549 Amazon River Circle.
